

DIAMOND grass seed

THE RIGHT SEED FOR YOUR LAWN.

Diamond Grass Seed Packaging is a fresh, exciting way to provide customized grass seed branding with ultimate flexibility and powerful shelf presence!

VIBRANT CUSTOMIZED GRASS SEED PACKAGING

Eye-catching, yet clean and simple, Diamond Packaging stands out on the shelf, while providing enough versatility to meet your essential retail needs for custom blends and formula names.

PROGRAM COMPONENTS

Three Flexible Sizes, Six Vibrant Colors

Eye-catching, color coded Diamond grass seed bags in three adjustable sizes and six color schemes.

- Small bag: for 2-3 lbs
- Medium bag: for 5-7 lbs
- Large bag: for 17-20 lbs

Customized Labeling

Each bag is customized by a glossy laser-printed label specifically designed to match the Diamond bags. Labels can be printed with either color or black print. Use customized labels to specify:

- Dealer Name and logo
- Planting instructions
- Mixture Name
- Bag size

WE PACK OR YOU PACK

1. Turnkey Packaging

With our turnkey solution packaging, you simply bring us your needs; we do the rest, providing geographic-specific formulations, packaging, and custom labeling. Each formulation will be packaged in our attractive Diamond bags and labeled according to the names you choose.

2. Do-It-Yourself Packaging

Do you need packaging for your own on-site blending and packaging operation? Let us help by supplying a packaging program like no other. The Diamond program provides all the components, including:

- Diamond grass seed bags
- Glossy laser-printable label stock
- Balers and pallet skirts
- And of course, premium grass seed.
